## JARRETT BAY BOATWORKS NEWS

### Jarrett Bay 32 Debuts at Miami Show

"Good things come to those who wait" couldn't be truer at Jarrett Bay with the debut of their highly anticipated Semi-Custom 32. In true Jarrett Bay fashion, they sought extensive customer input and put countless R&D hours into ensuring their prototype and its successors sit at the head of the class.

Built completely of fiberglass and composite materials, making them rugged, fast & maneuverable in any sea condition, they are outfitted with twin 4-stroke engines for a top-end speed that exceeds 40 knots! This, combined with the traditional trademark "Carolina Flare" and the ability to be tailored to your specific needs, make her a "Must Have" for any serious saltwater angler. Call today, or stop by our Miami Boat Show display in slips 917A & B at the Marriott Sealine Marina.

## JARRETT BAY YACHT SALES NEWS

### Jarrett Bay Receives Hatteras Platinum Service Medallion

Following suit with Hatteras Yachts' reputation for industry-leading customer service, Jarrett Bay has been awarded with their esteemed Platinum Service Medallion.

Jarrett Bay received this highest certification honor by consistently providing Hatteras owners with a positive service experience, a quality facility capable of hauling all models, knowledgeable Hatteras-trained service personnel and world-class workmanship.

Stop by Jarrett Bay's 175-acre full-service facility, located at Beaufort, North Carolina's ICW MM 198, next time you're passing by to see why we are "The Best Stop on the Water!"
